Main objective

- Preservation of cultural monuments
- Consulting of house owners
- Reanimation of quarters
- To foster employment / start up business
- To transfer the strategy to other cities

What barriers / problems were there to be overcome in starting up your organisation?

- Missing funds / short of capital
- Precariousness regarding contracts and liabilities as no comparable action is known

What were the critical factors for success?

- Financial support by the EU program URBAN II in the start up period
- Staying power of the members in the start up period
- Successful application in the German program "Bürger initiieren Nachhaltigkeit" (Citizens initiate sustainability), thereby supra-regional attention and financial support for the consolidation of the previous projects.
